

UNITED STATES MINT

The End of a Series

2008 UNITED STATES MINT  
50 STATE QUARTERS PROOF SET™

# 2008 UNITED STATES MINT 50 STATE QUARTERS PROOF SET™

## A Historic Program Comes to an End

Capture a piece of history with the 2008 United States Mint 50 State Quarters Proof Set™! This popular series, which introduced the joy of coin collecting to millions of Americans, is coming to an end in 2008. This tenth and final set honors the last five states to be admitted into the Union. It features **Oklahoma's** "Scissortail Flycatcher," **New Mexico's** "Land of Enchantment," **Arizona's** "Grand Canyon State," **Alaska's** "The Great Land," and **Hawaii's** "King Kamehameha I."

**Now Available!**  
Q08 – Only \$13.95  
Source Code: B41318G

Unlike circulating coins, each proof coin is struck at least twice with a specially polished die under very high pressure to produce sharp designs and a mirror-like finish. These coins are a shining example of the United States Mint's commitment to quality and excellence.

These coins will never be minted again, so act now!
